We wish Sue a speedy recovery and look forward to her return.

### Nut Allergies.

Due to the increased awareness of nut related allergies, please could you not send your child to Pre – school with foods containing nuts in their lunch boxes.

This practice is being observed at Ramsbury School and we are quite keen to do the same.

## **Ramsbury Pre – School Newsletter** **January 2010 – Continued**

### **Bad Weather Closure of Pre- School.**

If Ramsbury School closes due to bad weather, then so does Pre- School. Please do listen to BBC Radio Wiltshire (97.2/102.2 FM) or Heart FM as the announcement will be given this way. Pre-School may well decide to close independently of Ramsbury School during such times, if we feel it necessary. In this case you will be informed via email. If you did not receive email notification of the recent closures, please can you send an email to [secretary@ramsburypreschool.org](mailto:secretary@ramsburypreschool.org)?

### **Cold Weather Clothing.**

Even though the weather is cold we still love going outside to play, please make sure your child brings warm outside clothes and boots to Pre-school. (It's easy to forget especially when we come by car).

### **Scholastic Books.**

Please look out for the leaflet your child will be bringing home, all books sold will raise money for Pre-school funds. Your child is never too young to start looking at books.

### **Rucksacks.**

When bringing extra bags for your children could you please hang them on the peg with their coat so that the plastic tray is kept clear for showing items and activity work.

### **Naming belongings.**

Plea from staff, please could you name all lunch boxes, coats, and P.E kits etc that come to Pre-school. It can be confusing working out what belongs to which child.
